### Yuko-En Japanese Friendship Garden – Georgetown, KY

The Bluegrass Region of the self guided walking tour leads into *Sakura*, or Japanese Cherry Trees, a reminder of the popular *Hanami* or spring flower viewing parties in Japan.

#### From Lexington:

Take Interstate 75 North. Take the first Georgetown Exit. Turn left or West. Go into the downtown area passing Wendy's, K-mart, Shell Gas, Georgetown College then into the business blocks downtown. Pass the light at Hamilton Street and go to the next light which is at the Courthouse. Turn right at this light onto Broadway/Highway 25 North. Go .7 of a mile north. As you cross Elkhorn Creek you will see the garden on your left. Go to the Cardome Center stone pillars/entrance on your left and turn in left to the Cardome Centre entrance. Immediately turn left into the garden, gravel parking lot where you will see the Japanese style gates. (The sign-in box is located just inside the gates. Please sign in so we can count your visit.) A service road/handicap parking area is available at the second left after you turn into the Cardome Centre entrance. Then turn left again right before the entrance to the water treatment plant.
